

Recommends Chamberlain's Tablets

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine." writes Mrs. Newton Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

Battery Truths

That Willard Threaded Rubber Insulation can be depended upon to outlast the battery plates. Ends the expense of wood-separator replacement.

That wood separators may seem cheaper at the beginning but insulation is always cheaper in the end.

That our responsibility to you lasts as long as your battery is in service.

That the Willard Threaded Rubber Battery is the highest point in battery achievement. We're here to tell you about it—the only battery with Threaded Rubber Insulation.
